

**AWARDS COMMITTEE REPORT**  
**Combined Section Meeting 2009**

The Awards Committee was very active over the past year. In addition to reviewing nominees for the various Section awards, the committee also assisted in developing, at the request of the Board of Directors, a nomination packet for Dr. Joshua Cleland for the APTA Eugene Michels New Investigator Award as well as a nomination packet for Dr. Jay Irrgang for the APTA Catherine Worthingham Fellow designation.

The Section's Award Ceremony at this year's CSM will start at 7:30 pm on Wednesday, February 11<sup>th</sup> and last approximately 90 minutes. In addition to the honoring this year's Section award recipients, the JOSPT awards as well as the Rose Research Award will be presented during the ceremony. I look forward to seeing as many members as possible at this year's Section Awards Ceremony.

I would like to thank the members of the Section's Awards Committee for all of their hard work throughout the year. The members are Bill Boissonnault (Co-Chair), Susan Appling, Jennifer Gamboa, and Corey Snyder. If you have any questions or suggestions regarding the Awards Committee, please do not hesitate to contact me.
