

# COPYRIGHT RELEASE

## *Orthopaedic Physical Therapy Practice*

Date:

Author(s):

Manuscript:

Publisher: The Orthopaedic Section, APTA, Inc.

In consideration of publication, the author grants and assigns to the publisher or its successors all rights in the monograph of whatsoever kind or nature, including those now or hereafter protected by the copyright laws of the United States and all foreign countries, as well as any renewal, extension, or reversion of copyright, now or hereinafter provided, in any country.

The author warrants that his or her contribution is original, that he or she has full power to make this grant, and that the monograph has not been published previously and no other agreement to publish it is outstanding. If portions have been published previously, permission to reprint has been obtained from the copyright holder, and the author will submit the original form or letter that grants permission and credit lines identifying the copyright holder with his or her monograph.

The publisher, in turn, grants to the author the royalty-free right of republication of the author's original material in any written or electronic format of which he or she is the author or editor, subject to the express condition that lawful notice of claim of copyright be given.

The author will receive no royalty or other monetary compensation for the assignment set forth in this agreement.

Please indicate your acceptance of the terms of copyright by signing and dating this agreement and returning this original signed form to Managing Editor, *OPTP*, Orthopaedic Section, APTA, Inc., 2920 East Avenue South, Suite 200, La Crosse, WI 54601.

# PHOTO/TABLE/FIGURE COPYRIGHT RELEASE

## *Orthopaedic Physical Therapy Practice*

Author(s):

As an author of the manuscript “\_\_\_\_\_,” I warrant that all tables, figures, and photographs published with this monograph are original, that I have full power to make this grant, and that the tables, figures, and photographs have not been previously published. If portions have been previously published, written permission to publish this material in the Orthopaedic Section’s quarterly magazine, *Orthopaedic Physical Therapy Practice*, has been granted by the appropriate certifying body, and the original form or letter granting permission to reprint from this source has been submitted to the Orthopaedic Section office.

I also grant that for all tables, figures, and photographs republished with permission from another source, an appropriate credit line identifying the certifying body has been provided in the monograph.

In publication of the tables, figures, and photographs for this monograph, I grant and assign to the Orthopaedic Section, APTA, Inc. or its successors all rights of whatsoever kind or nature, including those now or hereafter protected by the copyright laws of the United States and all foreign countries, as well as any renewal, extension, or reversion of copyright, now or hereinafter provided, in any country.

In turn, the Orthopaedic Section, APTA, Inc. grants to me the royalty-free right of republication of my original material in any written or electronic format of which I am the author or editor, subject to the express condition that lawful notice of copyright be given. I understand that I will receive no royalty or other monetary compensation for the assignment set forth in this agreement.

Please indicate your acceptance of the terms of copyright by signing and dating this agreement and returning this original signed form to Managing Editor *OPTP*, Orthopaedic Section, APTA, Inc., 2920 East Avenue South, Suite 200, La Crosse, WI 54601.
