

PASIG MONTHLY CITATION BLAST: No.13

August 2006

Dear PASIG members:

Here's hoping your summer has been enjoyable and is getting cooler.

This month's Citation BLAST is our general format. As a reminder, each month's citations will be added to specific EndNote libraries: Ice Skating, Gymnastics, Music, and Dance. The updated libraries will, in turn, be posted on the PASIG webpage for our members to access and download. (Information about EndNote referencing software can be found at <http://www.endnote.com>, including a 30-day free trial).

Last chance: The PASIG's Emergency First Responder course is quickly approaching. The course will be taught at University of Delaware on September 15-17, 2006. Registration information is available on the Orthopaedic website: <http://www.orthopt.org/> For more information, please contact PASIG Vice President Tara Jo Manal at: Tarajo@udel.edu. Hope to see you there.

As always, your comments and entry contributions to these Citation BLASTs are always welcome. Please drop me an e-mail anytime.
