## PASIG MONTHLY CITATION BLAST: No.74

August 2012

Dear Performing Arts SIG members:

This month's citation blast is a break from our typical format. Instead of one topic with focused citation and abstracts, I have compiled several of the performing arts research resources available to us.

Please consider compiling and contributing a brief summary of Performing Arts-related abstracts for citation blast this year. It's easy to do, and a great way to become involved with PASIG! Take a look at our Performing Arts Citations and Endnotes (see link below), and email me your ideas!

Warm regards,

*Annette*
