Qualifications: Chairperson and Vice-Chairperson: Established research publication record and grant funding record. Preferably has had prior experience serving as a member of the Research Committee.

Committee Member: Some experience publishing research articles. Experience in obtaining grant funding is helpful.

Conflict of Interest: A conflict of interest can arise when conditions or circumstances preclude or interfere with an individual's capacity to make the objective, detached decisions required in Board of Director meetings. Conditions or circumstances which may create a conflict of interest include but are not limited to those cases in which the Board of Director member, Committee member, or SIG member: 1) has a personal, professional, or financial interest in, or relationship with, the entity in question; 2) has or is perceived as having, for any reason, a preconceived bias for or against the entity in question. Board of Director members, Committee members, and SIG Governing Board members shall excuse themselves from such participation in any case where a conflict of interest arises, where a potential conflict of interest may arise, or where there may be a perceived appearance of conflict.

Compensation Policy: In the event that specific conditions or circumstances lead to a significant financial strain on the Section's Annual Budget the Section Board of Directors, based on a recommendation from the Finance Committee, will direct the Executive Director to discontinue all Stipends/Honorariums paid to Section members until fiscal solvency is attained.
