2	illness and injuries that impact worker health and performance		President - Margot	
A	Establish and maintain liaison/relationships with state chapters (and ortho section) to share guidelines and other information	Maintain relationships with chapter liaisons (see E2 and D1 re: development) Disseminate and share information pertinent to the practice of occupational health to chapters (including work comp changes/state initiatives, etc) Submit information to venues such as PT Bulletin regarding information that applies to national issues (identify other vehicles/venues as appropriate)	Margot & Rick; with Rick providing oversight (payment policy)	
В	Promote and update occupational health guidelines and position statements	Complete work rehab guideline revision and present to ortho 10/09 Dee Identify focus groups of 3-4 people to help revise additional guidelines (prior to review) Revise legal and ergo guideline for ortho approval by 10/2010 Gwen & Margot Revise acute care and "role of the PT" guidelines for ortho approval by 2010-2011 Bob DuVall Develop FJA guideline 2011-2102 Generate position papers/white papers as needed on occupational Health practice topics to assist with state issuesRick	As shown to left	
. <u></u> .C	Promote occupational health branding	Develop brand (leverage current branding initiative) with elements directed at the PT community Package materials for therapist use in industry Market the brand in physical therapy and to external stakeholders	All - Margot as lead with collaboration with OS PR Chair; tie-in with Sandy as Comm. Chair	
D	Present on occupational health related topics and payor forums (when scheduled)	Participate in ortho section payor forum when scheduled Coordinate with chapters (using liaison network) to assist speakers at payor/insurer forums, industrial commissions, and governors safety councils regarding occupational health topics	All - Rick will be the lead	
	Improve search capabilities to identify occupational health physical therapists (internally within ortho/APTA and to external stakeholders)	Identify options for data collection and subsequent internal/external user access through ortho section Collaborate with PASIG/other SIGs to develop plan to use available data capacities Develop gap analysis as needed for future development Determine if separate PR mechanism needed (will modification of "Find a PT" be best venue for searches considering section membership issues, possibly separate external link/domain with list of providers, etc.)	Rick	
3	Facilitate professional development and s therapy	specialization in occupational health physical	VP/Ed Chair - Dee	

ЗА	Pursue specialization status for occupational Health through ABPTS petition (achieve by 2010-2012)	Complete review of specialization/certification options and seek endorsement through Ortho Section (2009) Submit petition to ABPTS (late 2009/early 2010) Review and update stage 2 and 3 plan as appropriate with guidance from ABPTS (2010) Submit Payment to ABPTS (approximately \$7,500-12,500, 2010?) Develop Specialty Council and Complete DSP		mbers	Not 2009, if all info is received, copy 12 copies - thru stage 2 & 3, distribuitng proforma on pmt this week.	
3B	Develop infrastructure for testing/examination and test review materials	TBD			Look at holding an item reviewer workshop prior to CSM.	
	Provide educational sessions at CSM	Conduct planned educational sessions at CSM- ongoing 1. 2010- Functional Testing/Legal Issuesdone 2. Work Rehab- Basic to Intermediate Level (tentative)2011 b. Coordinate future planning with private practice sessions for joint programming on topics such as maximizing reimbursement discussing c. Explore possible joint programming opportunities with Performing Arts and Primary Care SIG -discussing- possible for 2012	Dee	3	Ongoing	
3C						
	Provide targeted educational programming to support member needs and professional development outside of CSM	Develop & provide supplemental educational programming for occupational health conduct an interest/feasibility study for implementation of regional CEU offerings in 2011. To be completed by 9/9/2010: Includes locations, Coordinate with state associations, providers, etc for logistical support Develop a series of dates & topics for web-based educational seminars to be conducted quarterly in 2011 Develop professional development collaborations and materials in occupational health practice areas with limited training opportunities	with Ed C	replacement Chair to tinue	Need to discuss the potential opportunities after specialization is completed. Karen Jost has approached the SIG for audio conference ideas. APTA has been working on a rev sharing document.	
3D	Develop/promote residency or fellowship program	Develop a series of qualifying program elements/criteria by 9/1/2010, Objectives by 2011	Dee		Dee - lots of interest in res & fellowships; throw out VP call and include res/fellowship responsibility	
3E						
4	Advance, promote, and advocate for the p therapy	ractice of occupational health physical	Pra Ric	actice- ck		
4A	Serve as a resource to chapters & APTA on issues related to legislation and payment policy	Email FCE Guideline with cover letter to Chapter Executive Directors Presidents and Reimbursement Chairs (2009) Email blast to OH SIG members to inform them of plans to create (payment policy) liaisons with each state (2009) Establish key contact list for occupational health in 25 (50%) states by Q1 2010 and 50 states (100%) by Q2/3, 2010 Promote the OHSIG as a resource for components on payment policy Monitor payment policy trends and seek assistance from liaisons to communicate in newsletter or email blasts Leverage knowledge of state/national trends to impact payment policy for appropriate determination of value/fee schedules and opportunities for fairly negotiated contracts
