

## **Call for AOPT CPG-CPI Product & Resource Work Group**

### **Position title:**

The AOPT is seeking nominations for five (5) individuals to serve as members of the CPG-CPI Product & Resource Work Group.

### **Committee Charge:**

The AOPT recognizes the importance and value of clinical practice guidelines (CPGs) within physical therapy and is interested in creating products and resources to enhance the utilization and integration of the CPGs into patient management.

The charge to the AOPT CPG - CPI Product & Resource Work Group is:

- Develop products and/or resources that enhance the utilization and integration of CPGs into patient management.
- Work collaboratively with the CPG Editors and authors to identify the most important and valuable aspects of CPGs to use in the creation of products and/or resources; and
- Work collaboratively with our external digital learning vendor to enhance the products and/or resources with digital technology whenever possible and appropriate.

### **Term (duration):**

Three-year appointment

### **Time expectancy and requirements:**

- One Zoom meeting quarterly with additional Zoom meetings as needed.

### **Essential requirements of position:**

An AOPT member in good standing.

### **If you are interested, submit the following:**

1. Curriculum vitae
2. Brief essay (500 words max) on how your talents and experience meet the position requirements.

**DEADLINE TO APPLY: July 15, 2024**

**Submit to: [jschultz@orthopt.org](mailto:jschultz@orthopt.org)**
