Research Committee Updates: Kirk/ Steve

- Need for more peer-reviewed information on the outcomes of residencies and fellowships.
- Consolidated their program's surveys into a single survey and recently obtained IRB approval to distribute to any member programs who are interested in participating.
- The results of this survey will help member programs improve recruitment and curricular development.
- Please share this QR code with all of your graduates and ask them to complete it no later than September 1, 2023. This survey should take no more than 15 minutes
