- RF-PTCAS:
 - For Programs that fill their positions-
 - Redirect applicants back to RF-PTCAS to look for programs still accepting applications
 - **Ask if they would like programs to reach out to them. If they do ask that they complete the attached survey link.**
 - **Provide the applicant with the Program Information**
 - Programs still needing to fill positions after initial deadline
 - Re-open their applications after their deadline should they have slots still open. This is done by:
 - Update the deadline in the RF-PTCAS Configuration Portal, or reaching out to Courtney Merritt at RF-PTCAS to assist with this
 - Updating the deadline in the ABPTRFE Directory to prevent discrepancies
 - It is advised that programs select “Rolling” as the new display date for their deadline after re-opening, as they are accepting new applications and reviewing them on a rolling basis until all slots are full
 - Additionally, access the **Program Information** Google Drive Sheet with the **email linked to your APTA ORF-SIG Membership**
 - Interested Residents contact information can be found here.
