

## Mentorship Program Application

Thank you for your interest in the Academy of Orthopaedic Physical Therapy Mentorship Program. We will be matching student mentees to mentors for a 6-month formal mentorship period and hopefully a connection that lasts for years to come.

Selected student mentees will meet their mentors during CSM in San Diego, CA, in February. Over the next 6 months, the mentees will be required to speak with their mentors over the phone monthly and communicate as desired for mentorship by email and other communication options.

At the end of the formal mentorship, each mentee will be expected to complete a survey focusing on the strengths and weaknesses of the program.

Please read the requirements carefully. Also, answer the questions below so that we may best select mentees and mentors and pair them for the best potential success of this program in its inaugural year.

Participants must be:

1. In his or her final year of an accredited PT program
2. An Academy of Orthopaedic Physical Therapy Member
3. Planning to attend CSM for in person mentorship program option, *or*:
4. Virtual option: The AOPT will be offering a virtual option for the mentorship program this year for students and mentors unable to attend CSM in person.

Applications must be received by **Monday, December 29th, 2022**

In addition to this application, please send your RESUME to [Christine.Mansfield@nationwidechildrens.org](mailto:Christine.Mansfield@nationwidechildrens.org)
